Good afternoon Fred,

I am forwarding to you a letter signed by Stacie Pratt, Chief of the NPDES Section, Enforcement and Compliance Assurance Division, to Charlotte Katzenmoyer, CEO, Capital Region Water regarding the status of the outstanding work required under the Consent Decree, and in particular, the Long Term Control Plan.

We would like to have a discussion with you and your team once you've all had a chance to review and digest the letter. Please send me some dates/times for your availability for a conference call or virtual meeting. I can be reached at this email address or at (215) 814-2658.

I trust that you are all staying safe and healthy during these uncertain times.

Thanks, Fred,
Pam
